December, 2017 Year-End Giving

The Power of A Story of IMPACT!

It has been another wonder-FULL year of spreading the TRANSFORMING FIRE of FORGIVENESS!

I recently received this encouraging note from a dear friend and ministry partner:

"My dear brother Steve - you probably don't know what a huge impact you have made in my life and ministry! I continue to use Fresh Start principles in my own life that I learned during our wonderful time of ministry together in 2012 (Kenya, Africa). And Fresh Start principles are at the core of the "Principles of Effective Leadership" conferences that I've been leading. Many, many people have been impacted by these Biblically based principles. In fact, I have been invited to Rwanda and Burundi this coming year to present the leadership conferences. The reason given to me for the invitation to Rwanda is that there are so many people still hurting from the genocide that took place there back in 1994 and the teaching on forgiveness and healthy hearts is what they need. So Praise God - it's amazing that HE can use a guy like me to minister in such places to such people. So I am so thankful for you and how God has used you in my life!"
