

# FRESH START FOR ALL NATIONS

*Trip Report • Fresh Start South Asia • January 10-22, 2019*

## **South Asia...** *A TALE OF TWO CITIES*

There is tremendous ongoing persecution of believers in South Asia. Therefore, the need is great for believers to understand the power of forgiveness in their lives and how it can impact their intimacy with Jesus. FS was invited to come share with two separate ministries' in two different cities to help people become free from the effects of unforgiveness.

### 1<sup>st</sup> City

Conducted a 3-day Fresh Start Seminar.

2 simultaneous seminars – (women of 200+, men of 300+).

In the midst of our seminars, we felt impressed to share the plan of salvation.

Over 100 men and 100 women accepted Christ into their lives for salvation.

Our hosts were excited for the tremendous response & feedback.

One man testified he had planned to commit suicide before he came.

When he heard the gospel message of forgiveness, he forgave his wife, cancelled her debt and became free.

### 2<sup>nd</sup> City

Conducted a 2-day seminar for 80+ key leaders.

1<sup>st</sup> day was devoted to a full Fresh Start seminar.

2<sup>nd</sup> day was a training seminar on how to share Fresh Start with others.

The plan is for these 80 to go to different regions and share FS.

Both days were videoed (8 hours each day), so they would have instruction on how to experience and share the Fresh Start Process.

All materials were translated into two different dialects.

### Sunday Church

Shared the Fresh Start message of forgiveness to 80+ people.

After the service, many rushed up to share how they had been touched by the message of forgiveness and made a decision to forgive those who had hurt them.

### Thank you

For those who went with us through prayer.

The spirit of persecution and darkness was very evident.

The prayers broke through the darkness and allowed the message to go forth in power.

For those who gave financially which allowed us to go and to carry the message of forgiveness to those in desperate need.

Many came to Christ, while other developed a greater intimacy with Him.

Many chose to forgive and walk in forgiveness even though the circumstances hadn't changed.

"Whom the Son set's free is free indeed". John 8:36

For partnering with us and allowing us to carry the message of:

"Forgiven, Forgiving and Free"!

Sincerely,  
The Fresh Start South Asia 2019 Team

**FORGIVEN! FORGIVING! FREE!**
