Dear Parent or Facilitator,

“Pathway to Peace” is a booklet designed to help children better understand and process grief. When we face the death of a loved one, it is like being pushed into a dark tunnel. We tend to lose our bearings and are not sure what has happened to cause our life to be “turned upside down.” Our present path is changed forever and we are not sure where we are going or how we will get there. This booklet helps children realize they are not alone in this dark tunnel. Jesus is with them to care, comfort, and lead them on a “pathway to peace”.

- This booklet helps children “wrap” words around their feelings regarding the uninvited intruder of death or loss.

- It is designed to explore the possibilities of what they may be feeling or how they have felt during the adjustment time to this particular crisis.

- We hope to help them become more aware of their specific feelings and resulting conclusions - and also, to properly interpret, through God’s Word, the “truth” regarding their individual situation.

Our goal is to lovingly guide the child through the unwelcomed crisis in their life without getting “stuck.” May they experience the healing comfort and peace that only Jesus can provide.
